Thanks,  
Mrs T.

The minty syrup in the skinny bottle was discovered at Waipara Farmers' Market, but it has achieved such status amongst those who like its old-fashioned sweet and minty or vinegary and minty taste on their new potatoes or lamb chops or green beans or cucumber slices or pancakes, or icecream, or fruit salads . . . it is now available in specialist food shops. Mrs Thomas must have been a generous cook as well as a good one. She handed the recipe to family friends — who are now making it commercially for all of us to enjoy. \$12.99. Available at Rare Fare Papanui, Waipara Farmers' Market. Or email [jan@greatstuff.co.nz](mailto:jan@greatstuff.co.nz) or call (03) 312- 9290 for more stockists.
